PROFESSIONAL SUMMARY

Motivated and detail-oriented developer with strong frontend and growing full-stack expertise. Passionate about building responsive, user-friendly, and high-impact web applications. Currently expanding skills in Angular, ASP.NET, and Flutter, and eager to contribute creative and scalable solutions in a professional, growth-oriented environment.

EXPERIENCE

Frontend Development Intern — AYKAYS Digital Agency

Sep 2025 – Nov 2025

- Successfully completed a 2-month Frontend Development Internship.
- Converted Figma designs into clean, responsive HTML, CSS, and JavaScript layouts.
- Used Flexbox and CSS Grid for pixel-perfect, cross-device alignment.
- Ensured UI consistency and brand accuracy in collaboration with designers.
- Improved performance through code optimization and responsive media queries.
- Gained hands-on experience with Git, real-world workflows, and production standards.
